

Categories	Standards & Regulations	Products/Services Likely in Scope
Data protection & privacy	<ul style="list-style-type: none"> <li>• Data protection regulations (UK Data Protection Act, GDPR)</li> <li>• Cross-border data transfer compliance (EU, UK, Swiss-US Privacy Shield etc.)</li> <li>• Privacy Protection (e.g., “COPPA”, California Consumer Privacy Rights) or Family Education Rights and Privacy Act (FERPA))</li> </ul>	<ul style="list-style-type: none"> <li>• Products and services that process personal data (e.g., requires users to sign up, sign in or create an account to interact with the products/ service) <i>(Not likely applicable to broadcast or web-based services that do not collect personally identifiable data)</i></li> </ul>
Non-discrimination (accessibility requirements)	<ul style="list-style-type: none"> <li>• Non-discrimination/ equal access (e.g., UK Equality Act, Ofcom accessibility requirements, self-established accessibility standards)</li> </ul>	<ul style="list-style-type: none"> <li>• Most products and services <i>(Note: Not likely applicable to physical toys)</i></li> </ul>
Product safety & consumer protection	<ul style="list-style-type: none"> <li>• NHS Digital’s Standards for approved mental &amp; physical health apps (covering clinical safety, security, technical stability and data protection responsibility)</li> <li>• Consumer protection regulation (e.g., UK Consumer Rights Act 2015.)</li> <li>• Self-generated standards of (acceptable) practices and behaviours</li> <li>• Safety (of users) concerning radio equipment and telecommunications terminal equipment (Directive 2014/53/EU)</li> <li>• Toy/ product safety standards relating to materials and chemicals used (e.g., General product safety Directive 2001/95/EC, Regulation (EC) 1907/2006, Directive 2009/48/EC, ISO8124)</li> <li>• (EU) Toy safety standards (e.g., EN 17-1:2014, EN71-2:2001 + a1: 2014, EN71-3:2013 + a1: 2014)</li> <li>• Safety (EU) directive, restricting certain hazardous substances in electrical and electrical equipment (Directive 2011/65/EU) RoHS Directive</li> <li>• Electronic Safety (Directive 2014/35/EU)</li> <li>• Safety standards (e.g., EN50566, EN62479, EN62368)</li> <li>• (EU) Electronic Safety or safety and/or Information and Communication technology equipment safety Standards (e.g., EN62311, EN 50581, EN62368, EN60950, EN60825)</li> <li>• (EU) Battery standards (e.g., EN 60950)</li> </ul>	<ul style="list-style-type: none"> <li>• Products and services that collect personally identifiable data, and sensitive data (e.g., health and location data)</li> <li>• Products and services that involve or include elements of profiling, targeted marketing, product placements and/or behavioural design or in-app purchase</li> <li>• Products and services that contain forms of user-to-user communication (e.g., live chat), user-generated content, user comments</li> <li>• Products and services that rely on radio equipment or telecommunications terminal equipment</li> <li>• Products that may contain a restricted chemical substance</li> <li>• Toys</li> <li>• Products and services that rely on electronics and information technology equipment</li> <li>• Products and services that rely on batteries to function</li> </ul>

Security	<ul style="list-style-type: none"> <li>• Security (measures, vulnerability disclosure or security regulation/standards or ISO 27001, ISO 27017, PCI DSS)</li> </ul>	<ul style="list-style-type: none"> <li>• Products and services powered by information systems</li> <li>• Connected devices (e.g., IoT, Smart Toys, SmartWatch, wearables)</li> </ul>
Other standards & regulations: Broader digital environment and supply chain	<ul style="list-style-type: none"> <li>• Supply chain transparency &amp; modern slavery in the supply chain (e.g., California Transparency in Supply Chain, UK Modern slavery and human trafficking Act)</li> <li>• Environmentally Friendly (e.g., Directive 2012/19/EU WEEE Directive, Directive 94/62/EC on Packaging and Packaging Waste)</li> <li>• Electronic compatibility (Directive 2014/30/EU)</li> <li>• Common eco-design requirements for energy-related products to support the free movement of products (Directive 2009/125/EC)</li> <li>• Radio spectrum standards (e.g., EN 300 328, EN301893)</li> <li>• Standards concerning electronic/electromagnetic compatibility (EMC) (e.g., EN 301489, EN55032, EN61000, EN300440 etc)</li> <li>• (EU) Standard for eco-design (e.g., EN50564)</li> <li>• (EU) Standard concerning wideband transmission systems; data transmission equipment, and using wide band modulation techniques (e.g., EN300 328)</li> <li>• Copyright regulations (e.g., Digital Millennium Act)</li> </ul>	<ul style="list-style-type: none"> <li>• Products and services that rely on smooth interoperation with other products, services or systems</li> <li>• Products and services that rely on the radio spectrum to transmit information</li> <li>• Electric devices or installations</li> <li>• Energy using products</li> <li>• Products and services or data transmission equipment that use wideband transmission or wideband transmission techniques</li> <li>• Products and services that contain wrapping or packaging</li> <li>• Digital content</li> </ul>
